# WRAPTOR MARKER FOR METZNER AM

Label marking for higher productivity and a sustainable identification

TECHNICAL HIGHLIGHTS

- Marking of cables with a diameter from 1.524 mm to 15.24 mm
- Automatical detection of the cable diameter
- Perfectly compatible with Metzner AM lines
- Print and apply self-laminating labels in five seconds
- Consistent and sustainable labeling since the printed text is sealed by a film

WRAPTOR MARKER FOR METZNER AM

The Brady Wraptor is a marking system for cables in different colors, which also automatically detects the cable diameter in the range from 1.524 to 15.24 mm.

Permanent marking is guaranteed as the printed text is sealed by a transparent film.
