

PRODUCT BASICS

METZNER SM 4000

Machines for processing split corrugated tubes

Description		Part No.	Price in €
1. Machines			
	<p>The ONLY machine on the market capable to cut slit and re-closable and open corrugated tubes precisely and consistently on the crest. Of course the machine handles standard unslit corrugated tubes as well.</p> <p>Technical features & benefits</p> <ul style="list-style-type: none"> - Equipped with a unique and patent protected cutting system capable to manage the widest spectrum of corrugated materials used for automotive wire harnesses - Outstanding diameter capacity from 8.5 mm to 40 mm outer dia. - Quick changeover for all guide sets without tools and time consuming settings, thanks to the Metzner „plug and play“ design to maximize productivity - Extra strong and robust construction for outstanding durability to minimize the cost of ownership - Future proof investment that responds to new and future production requirements by the simple addition of a new tool set for future materials - Record-breaking production capacity of 6,000 pcs. At 500 mm (20“) cutting length per hour - Excellent maneuverability thanks to standard swivel casters - Convenient storage of tool sets and guides in built-in drawers - Modern and state of the art touch-screen operation with intuitive user friendliness - Automatic operation with status indicator - Designed for a quick and easy extension to an automatic production line with standard interfaces for all typical peripherals - Prepared to operate in combination with an optional PC and IT network integration for digital workflows and digital production orders <p>Please note Each corrugated material requires a separate and tube specific tool set.</p>	102-00095	52.900,00

Description		Part No.	Price in €
2. Compatible with following peripherals			
	SM 4000	Set of toothed wheels and guide bushes customized for every corrugated tube Upon 10 sets you get 10% discount, upon 15 sets 15%.	102-00123 6.340,00
	SM 4000	Measuring wheel	208-06231 2.171,00
	SM 4000	Guide bush for measuring wheel	313-10266 642,00
	SM 4000	Material end detection	230-02153 995,00
	SM 4000	Cutting knife	319-02489 322,00

Description		Part No.	Price in €
3. Connections			
	Prefeeder	Connection CT 4x00 for Prefeeder	000-0400.6 296,00

Description		Part No.	Price in €
4. Programming the machine for customers			
	Commissioning	Programming of the machine for customer cables and test with customer material; including 50 samples according to customer specifications.	KS-Muster 650,00

Description		Part No.	Price in €
5. Operator training (1 Day for up to 3 participants)			
Training	Training (1 day for up to 3 participants) <ul style="list-style-type: none"> • Operation • Programming • Creation of customer-specific programmes • Maintenance and care • Exchange of wear parts 	Training	960,00

Description		Part No.	Price in €
6. Delivery information			
Standard delivery time			
SM 4000 Basic machine with customized gear-and guide sets		ex stock 6 weeks, up to 16 weeks if not on stock	
SM 4000 basic machine combined with peripherals		depending on combination selected, up to 16 weeks	
Delivery terms			
Incoterm 2020, FCA Metzner Maschinenbau GmbH, Neu-Ulm			
Warranty terms			
Our company observes the warranty provisions according to current European Union law.			
SM4000 warranty extension: 2 years warranty	Z632	780,00	
Packaging		Part No.	Price in €
SM 4000 (basic machine w/o peripherals), for domestic & central European shipment		Z01	400,00
SM 4000 machine and peripherals fully assembled to a production line		Price on request, depending on the type of packaging and shipment	
Dimensions and weights (packed condition)		Dimensions (W x H x D)	Weight
SM 4000		1855 x 1442 x 1210 mm (73.1" x 56.8" x 47.7")	380 kg 827 lbs.
Customs information			
Origin			
Customs Tariff Number		84 77 80 95
